

Species Rebounding Under Consent Decree

* Statistics for 2010 are based on the Cape Hatteras National Seashore 2010 Annual Resource Reports, excluding numbers from Green Island.

Species Rebounding Under Consent Decree

* Statistics for 2010 are based on the Cape Hatteras National Seashore 2010 Annual Resource Report, excluding Green Island. The report states that a "change in survey dates from the previous year led to a potential under-estimate of nests for the Seashore" in 2010.
