

Potential Risk of Shale Gas Drilling Southeastern National Forests

Legend

- National Forest
- Areas with Active Drilling**
 - Marcellus Shale Assessment Units (USGS, 2011)
 - Shale Play (Intensive Active Drilling)
 - Shale Play (Emerging Active Drilling)
- SHALE BASIN (CONTAINS SHALE PLAYS)**
 - SHALE BASIN (CONTAINS SHALE PLAYS)
- Areas Not Currently Drilled**
 - Quantity Assessed by USGS (2012)

* = Some plays overlap each other due to varying ages and depths
